

LOCATION

The hotel is located on the highest point of the city of Tavira, surrounded by the history and culture of these coastal people, a natural Portuguese-Mediterranean mix. Looking south you can see the outline of the typical roofs of Tavira that break up the blue line of the ocean's horizon, and to the north the green of the mountains contrasts with the encompassing blue of the Algarve sky. Here, in the midst of such a rich, diverse landscape, you find the Hotel Porta Nova. It is 3km from Tavira Island and a 10-minute stroll to the historical centre of the city and the shops and leisure facilities that it offers.
